Section 4 - Policy

(7) CDU aims to ensure a professional, fair and ethical approach to recruitment that matches the skills, expertise and experience of an individual to the requirements of the operating unit and the University's strategic priorities. This approach should also provide for the flexibility and responsiveness necessary to enable certain strategic priority positions to be filled quickly and exceptional candidates appointed in a minimum timeframe to secure their services to the University.

(8) Merit is the overriding criterion for appointment by invitation and must be established by a combination of peer review and other forms of assessment of the qualifications, expertise and achievements of the individual.

(9) The policy applies where the proposed appointment is required to be made in:

- a. a short time frame to meet operational needs and/or to secure the services of an exceptional candidate;
- b. a confidential way for senior appointments where an Executive Placement service has been used to fill strategic positions; or
- c. other exceptional circumstances with the approval of the Vice-Chancellor.

(10) The position to be offered can be either ongoing or fixed-term depending on the priorities of the College/Business Unit.

(11) In certain situations, the University may offer a position in an operational area to an agency employee who has been able to clearly demonstrate exceptional occupational skills during the term of their placement.

(12) Where the appointment under consideration is an Identified First Nations position or is to be extended to a person who identifies as a First Nations Australian, the Deputy Vice Chancellor First Nations Leadership must be notified prior to an offer being made.
