

Conferral and Certification Policy

Section 1 - Preamble

(1) Charles Darwin University (CDU) takes pride in student achievements and provides robust processes for those achievements to be formalised, quality assured, documented and celebrated.

(2) Conferral and certification processes are designed to assure the integrity of CDU unit and course completions, ensuring that a CDU qualification is recognised and valued by employers, industries and professional bodies.

Section 2 - Purpose

(3) This policy outlines the University's approach to conferral and certification of awards, including graduation ceremonies.

Section 3 - Scope

(4) This policy applies to all students enrolled in an award unit or course at CDU, and includes those in vocational and higher education and those enrolled with partner organisations.

(5) Higher Degree by Research students are advised to read this policy in conjunction with the [Higher Degree by Research Policy](#).

Section 4 - Policy

(6) The University Council authorises the awarding of University qualifications and approves the scheduling of graduation ceremonies.

(7) Conferral and certification processes will ensure:

- a. Timely processing of student results and completions to minimise any delay in the use of certification to seek employment, register with professional bodies or access further study.
- b. Achievements can be celebrated at a graduation ceremony in the presence of family, friends, and peers.
- c. Early conferral to allow awards to be conferred at the next available University Council meeting when required prior to holding a graduation ceremony.
- d. Authenticity and integrity of award documentation, so that academic standards and the credibility of qualifications are upheld.

Completion and Eligibility for Conferral

(8) The University will identify vocational and higher education students who have completed an award at the end date of each teaching period, assessing their progress against the requirements of the course.

(9) Once a student has been assessed as having completed their award, they will be assessed for eligibility for award

conferral.

(10) While a student may be completed, students will not be eligible for conferral (to receive documentation or graduate), where they have:

- a. outstanding fees or payments owing to the university; and/or
- b. not registered for a Unique Student Identifier (USI) or where the USI is unable to be verified.

(11) Students who are eligible for conferral and are assessed as having completed their course will have relevant documentation issued to them within two (2) working days.

- a. Vocational students will receive a Certificate of Completion and Academic Transcript.
- b. Higher education students will receive an Academic Transcript.
 - i. International students will also receive a Completion Letter.

Conferral

(12) An award can be conferred at a graduation ceremony or at a University Council meeting.

(13) Students must nominate their preferred method of conferral by the [published deadline](#).

(14) Students who have not nominated their preferred method will be automatically conferred in absentia at the next graduation ceremony.

(15) Award conferral is public information and the University will publish graduate information in the official graduation program.

- a. Students who do not wish to have their name published must contact Graduations in writing prior to their completion.

Graduation Ceremony

(16) Graduands who have nominated to have their award conferred at a graduation will be invited to attend a ceremony, usually with a minimum of six (6) weeks' notice.

- a. Graduands can either accept or decline the invitation, or elect an alternate ceremony or location.

(17) Graduands are required to wear academic dress for their graduation ceremony, as detailed in the [Academic Dress Procedures](#).

- a. Australian First Nations graduands will be invited to wear a stole with the colours of the Aboriginal and Torres Strait Islander flags in addition to the required academic dress.
- b. All First Nations graduands (from Australia and overseas) are encouraged to wear cultural or ceremonial attire in addition to the required academic dress.

Deferral to a future graduation ceremony

(18) Graduands may request to defer their attendance at a ceremony by up to twelve (12) months.

- a. Students in double degrees who have completed the requirements for one degree, may request a deferral of longer than twelve (12) months so that they can graduate from both degrees at once.

Request to attend Batchelor Institute of Indigenous Tertiary Education presentation ceremony

(19) Graduands may request to attend the Batchelor Institute of Indigenous Tertiary Education (BIITE) presentation ceremony in Batchelor or Alice Springs, instead of a CDU graduation ceremony, if they:

- a. are an Australian First Nations student;
- b. completed at least one (1) unit of their course with BIITE at the Batchelor or Alice Springs locations; and
- c. can have their award conferred by CDU prior to the next scheduled BIITE ceremony.

(20) In electing to attend a BIITE presentation ceremony, graduands are authorising CDU to transfer required personal information and documentation to BIITE for the purpose of participating in the ceremony.

(21) The University will provide BIITE with a list of graduands (and their official CDU documentation) as soon as is practicable after the cut-off date for each graduation round, for publication in the BIITE presentation program.

(22) Graduands electing to attend a Batchelor Institute presentation ceremony will:

- a. be recorded as conferring 'in absentia' for the purpose of the CDU ceremony; and
- b. be required to wear the BIITE academic dress.

(23) Graduands are not eligible for Away from Base funding to travel to a graduation or presentation ceremony.
