Section 3 - Scope

(5) Where a child is believed to be at an immediate risk of exploitation or abuse, this must be immediately reported to the Northern Territory Police Force by telephoning 000 if the reporter reasonably believes that not reporting the risk to police would result in the actual abuse of the child.

 - ii. Director Student Engagement where a student is alleged to be involved.
- b. The relevant Director is to inform the Vice-Chancellor of the report immediately.

(7) Where it is reasonably suspected that child exploitation or abuse (including possession of child exploitation material) is occurring on University premises, or in connection with University activities, this must be immediately reported to the Northern Territory Child Protection reporting line 1800 700 250 or to the Northern Territory Police Force by telephoning 000.

- a. The suspicion must also be notified within 24 hours to the:
 - i. Director People and Culture where a staff member is alleged to be involved; and/or
 - ii. Director Student Engagement where a student is alleged to be involved.
- b. The relevant Director is to inform the Vice-Chancellor of the report immediately.

(8) Where an individual has reported instances of suspected child exploitation or abuse, but becomes aware of additional information, the individual must also report that additional information.

Responding to an allegation or disclosure

(9) Upon learning of an allegation or a disclosure of child exploitation or abuse, the Director People and Culture and/or Director Student Engagement as relevant, will:

- a. ensure a safe environment and support for the alleged victim and any other children alleged to be involved or affected, taking account of whether a child is First Nations, from a culturally or linguistically diverse background, or has a disability;
- b. provide clear information to the alleged victim and their parent or guardian about what will be done in response to the allegation or disclosure, including any reporting obligations;
- c. explain to those reporting the allegation or disclosure their external reporting obligations; and
- d. keep notes and records of all conversations, disclosures and of all follow-up actions, which records are to be marked 'Private and Confidential'.

(10) Where an allegation of child abuse is made against staff, students, contractors, volunteers or authorised visitors, the University may initiate a precautionary action, in accordance with the [Code of Conduct - Employees](#) or the [Code of Conduct - Students](#), pending the outcome of either a disciplinary or legal process. Precautionary actions are not penalties and are not intended to prejudice the outcome of a University disciplinary process.

(11) Where staff, students, contractors, volunteers or authorised visitors, are found guilty of an offense, then action will be taken under the [Code of Conduct - Staff](#) or the [Code of Conduct - Students](#).

(12) Any investigation by the University into alleged child exploitation or abuse will be conducted in a way that avoids interference, or perceived interference, with any current external agency process.

(13) Where a matter has been reported to the police or an external agency and is subject to a criminal investigation, the University will suspend its internal investigation.
