

## **University Closedown Procedure**

## **Section 1 - Preamble**

(1) Each year, Charles Darwin University ('the University', 'CDU') identifies a period during December and January in which the University will close down.

## **Section 2 - Purpose**

- (2) This procedure outlines Clause 41 University Closedown of the <u>Charles Darwin University and Union Enterprise</u>

  <u>Agreement 2022</u> and sets out the requirement for employees to access leave during this period.
- (3) This procedure also outlines the circumstances in which employees will remain on duty during this period.

## **Section 3 - Scope**

(4) This procedure applies to CDU employees covered by the <u>Enterprise Agreement</u>, excluding those employed on a casual basis.

### **Section 4 - Procedure**

- (5) By 1 April each year, the Vice-Chancellor will provide dates of the closedown for the coming December/January period to allow time for leave planning.
- (6) The closedown period is to be no more than 10 paid Annual Leave days.
- (7) All employees are required to access their paid Annual Leave during this period.
- (8) A member of the Senior Executive Team (SET) may vary these arrangements for an organisational unit to meet essential operational or research requirements.
- (9) When the closedown requires the utilisation of more than 5 days paid Annual Leave, employees who receive the lower Annual Leave entitlement in accordance with clause 41.3 of the <u>Enterprise Agreement</u> will be granted up to 5 days concessional leave to compensate for their lower entitlement.

#### Application

- (10) Accessing leave over this period is mandatory, unless arrangements are varied by the relevant SET member to approve working during the closedown period.
- (11) No application is required to utilise this leave. People and Culture will automatically deduct the relevant leave from the employees' existing Annual Leave balance.
- (12) If the employee is approved to remain at work and on duty during this period, they are required to lodge a leave request for approval to cancel the Annual Leave. Once the request is approved the leave will be adjusted.

#### Responsibilities

- (13) It is the responsibility of the relevant SET member to:
  - a. Assess and determine which, if any, of their employees are required to remain at work and on duty.
  - b. Maintain a list of employees who will remain on duty both on campus and externally during the close down period, including their physical work locations.
  - c. Prior to close down, provide a copy to Security to ensure the safety of employees working throughout this period.
  - d. Confirm all employees who remain on duty are aware of their work health and safety obligations while working on campus with a reduced workforce.

# **Section 5 - Non-Compliance**

- (14) Non-compliance with Governance Documents is considered a breach of the <u>Code of Conduct Employees</u> or the <u>Code of Conduct Students</u>, as applicable, and is treated seriously by the University. Reports of concerns about non-compliance will be managed in accordance with the applicable disciplinary procedures outlined in the <u>Charles Darwin University and Union Enterprise Agreement 2022</u> and the <u>Code of Conduct Students</u>.
- (15) Complaints may be raised in accordance with the <u>Complaints and Grievance Policy and Procedure Employees</u> and <u>Complaints Policy Students</u>.
